## OBJECTIVE

Motivated and skilled Frontend and Backend Developer with proficiency in HTML, CSS, JavaScript, and Core Java. Possesses hands-on experience in database management, MYSQL, and Java frameworks. Proven ability to develop robust and user-friendly applications. Seeking opportunities to leverage skills and contribute to dynamic projects.

## EDUCATION

- Completed **MBA (HR)** at **Bharathidhasan University** in **2023** with **7.84 CGPA**
- Completed **B.E(Mechanical)** at **St.Joseph's Institute of Technology, Anna University** in **2021** with **7.9 CGPA**
- Completed **HSC at Sri Sarada Vidyalaya Matriculation and Higher secondary school** in **2017** with **86.5%**
- Completed **SSLC, Sri Sarada Vidyalaya Matriculation and Higher secondary school** in **2015** with **87.2%**

## TECHNICAL SKILLS

1. **Strong in Frontend Technologies**:

    Excellent knowledge **in HTML 5, CSS 3, and JavaScript** for DOM manipulation and event handling.

2. **Proficient in Java Development:**

    Strong grasp of **Core Java**, including **OOPs concepts, variables, control statements, file handling, collections,** and **logical programming with arrays and strings.**

3. **Expertise in Database Management:**

    Proficient in **SQL language** for database operations, **JDBC for connectivity**, and **SQL commands (DDL, DML, DQL)**.

## PROJECTS

**Title : Gym Web Application**

**Description:** This HTML and CSS code crafts "Fit Hub," a responsive gym website. It boasts sections for navigation, home, about, classes, trainers, and contact. With desktop navbar and hamburger menu for smaller screens, it ensures accessibility. CSS stylings encompass layout, typography, colors, buttons, icons, and responsiveness for a professional user experience.

**Technologies :** HTML,CSS,Javascript

**Tools** : VSCode,Github,Chrome Browser

**Title : Student Management System**

**Description:** The "Student Management System" is a Java application for efficiently managing student records. It allows users to add, view, update, and delete student information. Utilizing JDBC for database connectivity and MySQL as the backend, it offers a user-friendly experience. Ideal for educational institutions, it simplifies the task of student data management.

**Technologies :** Java,Sql

**Tools :** Eclipse IDE,MySql

## TECHNICAL CERTIFICATE

- Completed Java Development at Accord Info Matrix
- Completed Web Designing at Accord Info Matrix

## INTERNSHIP EXPERIENCE

**Web Developer Intern**                                                          Dec 2023 - Mar 2024
Nexus Info                                                                          *Coimbatore, Tamilnadu*
